

Atul Anilkumar

Arpookara, Kottayam, Kerala, India | 81-298-298-53 | www.atulanil.in | www.linkedin.com/in/atulanil

DOB : 09 March 2001

EDUCATION

M.Sc. Computer Science

(July 2022 – July 2024)

School of Computer Sciences, Mahatma Gandhi University.

Athirampuzha, Kottayam.

B.Sc. Computer Science

(July 2019 – July 2022)

College of Applied Sciences (IHRD), Puthuppally.

SKILLS

Programming Languages	C++, Python, Java.	★★★★☆
Concepts	AI / ML & DSA	★★★★☆
Front-end Technologies	HTML, CSS, Bootstrap.	★★★★☆
Software Technologies	Visual Studio Code, Git, Adobe Illustrator, Adobe Photoshop, Adobe Premiere Pro.	★★★★☆
Principles	Time management, Problem Solving, Leadership & Analytical.	★★★★☆

PROJECTS

- **Deep Attentional Guided Image Filtering** : The project introduces a image filtering technology using convolutional neural networks to make use of structural features from guidance & target image to create a kernel to detect edges and desired features from an image.
 - Technologies Used : Python, Tensorflow, CNN, ResNet.
- **Attendance Management System** : Java Project to Manage Attendance information of students with features such as attendance marking, visualization, leave management and grievance management.
 - Technologies Used : Java, NetBeans IDE, MySQL, HTML, CSS.
- **Online Grocery Store** : Python Web Project for E-commerce allowing grocery shopping to be done online through website. The project features online product to cart options, E-payment & Admin order management facilities.
 - Technologies Used : Python, VS Code IDE, MySQL, HTML, CSS.

SKILLS

- Leadership
- Art
- Web Development

- Time Management
- Photography
- Videography
